Thank you for your interest in volunteering at the French Legation Museum. Museum volunteers are an essential part of our museum's success.

The French Legation Museum is a non-profit historic house museum that interprets the Republic of Texas era. The museum highlights local history through guided tours of the historic home, grounds and reconstructed kitchen. The tranquil grounds of the French Legation make a perfect backdrop for educational programs and private events.

The Museum needs docents to help with all sorts of projects ranging from research to landscaping. Volunteers tend to be scheduled between 1:00 and 5:00 pm, Tuesday through Sunday, the days the Museum is open to the public

Please complete the basic volunteer forms and include a CV if you wish, then return them to Franke Smith at [programs@frenchlegationmuseum.org](mailto:programs@frenchlegationmuseum.org).

We look forward to talking with you soon.

Best Regards,

Franke L. Smith  
Programs Coordinator
